

Be there! has the great pleasure to announce its second consecutive collaboration with the Ionian International Digital Film Festival, which made its debut last September in Lefkada. Ionian International Digital Film Festival.

The best films of Be there! 3 will be screened within the frame of its second organization (9-12/10/13) giving both to the audience of Lefkada and to its visitors from the rest of Greece and the world to enjoy a wide range of quality animation.

For further information, please, visit the official website of the Ionian International Digital Film Festival <http://www.iidff.gr>

Be there! 4 wishes IIDFF the best of luck and will be back again soon with updated Newsletters regarding its upcoming autumn and winter events and screenings.
