

Deadfile is a music band formed in Corfu (2012), whose influences stem from post-rock, trip-hop, psychedelic rock and music scores

Two albums of theirs appeared during 2012, “Deadfile” and “Applied Oneironautics”, while “The City Under the Void” was released in 2014.

They appeared in Athens (Michalis Cacoyannis foundation) in 2014, as part of the festival “Radio Days”, organized by Last Drive and Makis Milatos. An acoustic set, first broadcast in the Roman Catholic Church of St. Francis of Assisi (Corfu) has been subsequently recorded.

They plan to release their next album in winter 2015, the first with the full scheme on board.
